DETAILED ACTION

This Office Action is in response to an Amendment filed on 6/12/2006.

Currently, claims 15-19, 23-24 and 26-38 are pending.

Allowable Subject Matter

1. Claims 15-19, 23-24 and 26-38 are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art, either singly or in combination fails to anticipate or render obvious, the limitations of:

...simultaneously doping the first semiconductor region and the second semiconductor region while protecting the third semiconductor region from being doped; and

simultaneously doping the second semiconductor region and the third semiconductor region while protecting the first semiconductor region from being doped, as required by claim 15; and

...simultaneously doping the channel region of the second semiconductor region and the channel region of the third semiconductor region to partially define the threshold voltage in the channel region of the second semiconductor region, and partially define a threshold voltage in the channel region of the third semiconductor region; and

simultaneously doping the channel region of the second semiconductor region and the channel region of the third semiconductor region to define the threshold voltage

in the channel region of the second semiconductor region, and define the threshold voltage in the channel region of the third semiconductor region, as required by claim 28.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
